*"Writing novels is a lonesome job, especially if you are stuck in the jungle on a South Sea island. But Peter Riva heard me from afar and said yes, and that, as the saying goes, has made all the difference. In August, Thomas & Mercer will bring out the fourth of my Jungle Beat Samoan detective mystery series –thanks to Peter and his relentless efforts on the books' behalf. There's no substitute for working with the pros."* **John Enright**
